## Annual Fall Membership Mixer

--Dina Lambert

### Membership Mixer

Saturday, September 30

2:00-4:00pm

The Alley

Downstairs Patio

The much anticipated Fall Member Mixer is scheduled for Saturday, September 30th from 2:00 – 4:00pm at The Alley located in downtown Mariposa. We will meet in the backyard patio area where we can talk, sip on a beverage, and munch on something sweet or savory. This is a member event to get to know your Board of Directors, other leaders and new (and old) members. This is also an opportunity to bring potential new members to learn about our local branch and our projects / programs. Please bring a finger food to share (enough for 6-8 people). Last name A-M: something sweet. Last name N – Z: something savory.

- Meet the 2017 – 2018 Board of Directors and members
- Pick up your 2017 – 2018 Member Directory
- Vote on the 2017 – 2018 proposed budget (published in the August Newsletter)
- Food, Drink, and Conversation!

Please respond to your EVITE Invitation by clicking [here](#).

See you soon!

## Co-Presidents' Corner

### AAUW Action

While thinking about our message for this newsletter, we searched for an inspirational quote that we could link to our branch's current state and future goals. It turns out that was easier said than done. There are some fantastic, empowering sentiments as well as some dull, alienating ones floating around the Internet. One site, which we really hope did not misquote its authors, provided the following passage.

*"I've learned that you shouldn't go through life with a catcher's mitt on both hands; you need to be able to throw something back."* – Maya Angelou

That is exactly what AAUW Mariposa members do and will continue to do. When we find out that our neighbors are in need, we look for ways to support them. When we learn that our schools need help, we provide additional supplies for the classrooms. And

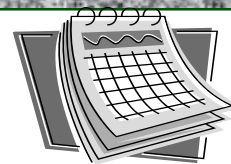

when we realize the impact that we can have on the children in our community, we take off the catchers' mitts entirely so that our hands are free to stuff backpacks, fill voters' registration packets, and provide experience auction items to fund Tech Trek.

We do all of these things, while at the same time enjoying each other's company, discovering new talents, and learning about ourselves. There are many opportunities to continue giving and receiving this month, and we look forward to these events and to seeing you all there!

&

### Fall housecleaning can benefit us all!

--Sharon Enrico

Cleaning out the corners of your house and making money for AAUW projects can make a person feel good on multiple levels! Our annual AAUW yard sale on Friday and Saturday, October 13-14 gives all of us just that possibility.

Imagine a tidy closet or cupboard leading to a middle school girl heading off to Tech Trek- it's a win-win situation!

The yard sale will once again be held at Helene Fiske's garage on the corner of 6th and Jones, across from the elementary school. To make it convenient for everyone, Helene will allow people to drop off their donations a week ahead of time. Please, no adult clothing unless it is

something special - it just doesn't sell. You can call or email either Helene (heleneandbill@yahoo.com) or Sharon (slenrico@sti.net) to make arrangements.

We will be setting up tables, sorting, and pricing on Thursday, October 12th, to be ready for our

Friday morning opening, but we will take your treasures up to opening hour.

I will be sending out an email the beginning of October to recruit volunteers for set up, selling, and clean up. We have such a fun time at this event that you should be sure to get your name in early for your favorite time slot!

## Project: Backpack

--Cathy Owens/Karen Rust

The Backpack Committee has wrapped up another successful project, ensuring that 51 students start their school year with high quality backpacks and school supplies. This year's backpack project was especially meaningful, as we expanded the project to include students of all ages who

lost their homes in the Detwiler Fire. Thank you to the 17 members who contributed school supplies, the 11 members who contributed cash donations, and the 12 members who lent a hand at the Backpack Fill Party. We are grateful for everyone's participation, and for helping us give students every opportunity to thrive in school. Special thank yous for generous donations go to our community friends, the Soroptimists and the Mariposa Community Foundation.

# Project: Voter Registration

--Jetty Uebner

Moore, Kathy Sutherland and Jetty Uebner. This year's envelopes included birthday greetings from AAUW, a voter registration card and a Grizzly Coupon from the Pizza Parlor for a free slice of pizza and a drink. The artistic talent was flowing as was the humor. Jill Harry then delivered the packets to the high school's registrar, Rose Ann Weinburke, later that day.

On August 23rd, seven members of AAUW met at the home of Jetty Uebner to decorate and stuff "birthday" envelopes for the students of Mariposa County High School and Coulterville High School who turn 18 years old this year. The participants attending were Jill Harry, Dawn Johnson, Naoko Kada, Becky Mock, Sharon

An Evening in **PARIS** auction item

--Sandi Gabe

When was the last time you went to an outdoor movie or drive-in? There aren't too many left in California, so Carolyn and Dennis Baker were in for a treat when they redeemed their *Evening in Paris* auction item for dinner and a movie at Entropy's Edge Outdoor Theater, managed by Jeff

and Sandi Gabe. Following a tasty dinner prepared by Jeff (who also doubles as the local chef), Dennis and Carolyn weighed the options of a romantic comedy, western, or adventure flick and settled on the action-packed movie, The Gunman starring Sean Penn. Fresh hot popcorn and a

little wine accompanied the movie while Grizzly and Guinness, the local four-legged bouncers, kept watch to assure that no wild animals joined in the festivities. The

theater will go dark for the rest of the year and may reopen in the spring after the next fundraiser. Watch here for details on future openings.

## Interest Groups - Hiking

# Hikers escape the August heat

The Hiking Group took advantage of the high country in August as they hiked the two miles to Gaylor Lakes in Yosemite. The cooler air and blue skies were refreshing. A group of five started the hike with a challenging 500 foot gain to the ridge where

they were rewarded with stunning views of Mt. Dana and Kuna Crest. After a 200 foot drop to Middle Gaylor Lake the group admired the calm, deep blue waters and the splashes of wildflowers along the trail. A rock in the meadow of green was chosen as the lunch spot where there was talk of kitchen and home remodels. The usual view of the Cathedral Range was hazy with smoke, but the group made the best of it admiring the beauty surrounding them. It was a perfect Saturday spent in a beautiful place with wonderful company.

## Tutoring Project planning session is on!

**Planning Session**  
**Wednesday, Sept. 6**  
**5:00 pm**  
**Sweetwater Deli**

Mark Your Calendars! We will have our first *planning* session for The Tutoring Project on Wednesday, September 6th at 5pm at Sweetwater Deli (across from Pizza Factory). This planning session will align the existing Tutoring Project with AAUW goals and bylaws. Luckily for us this project came

from an AAUWer who was already passionate about helping youth in our community succeed in school, which is right up our alley! We're right on track and will most likely just be covering the fine print and formalizing branch rules and regulations. After the planning session the information will be voted on by the board, and once approved, we will be all set to have members officially join in! If you're not able to join the planning session, stay tuned for our follow up emails for how to be a tutor/mentor!
